

ERRATA

The following errors were printed in the paper by J. R. Farrell in Volume 19(3) of *Corella*, September, 1995:

The title of the paper (p. 95) should read: 'Movement patterns of Pied Currawongs *Strepera graculina* in central eastern New South Wales.'

A label is missing and information is obscured on Figure 3 (p. 97). This figure is reprinted below.

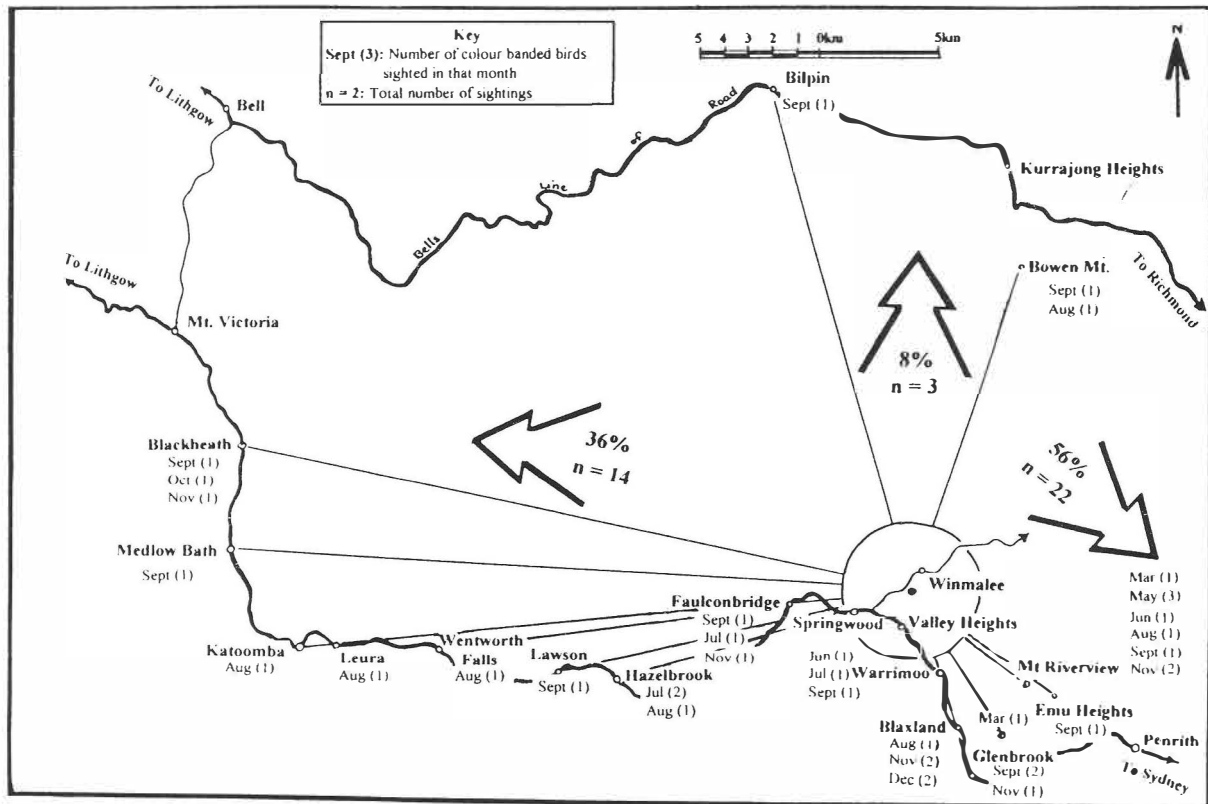

Figure 3. Movements of colour-banded Pied Currawongs in the Blue Mountains region (outside a 3 km radius from the banding site) during the year in which they were banded.
