

Mist Net Service Price List 2025

Effective from 21/04/2025

NOTE - Prices do not include freight (usually Express Post within Australia except for large items such as mist net poles).

Liability for Lost Shipments

The Mist Net Service is not liable for any items lost or damaged during shipment with Australia Post. Once an order has been dispatched, responsibility for the goods passes to the carrier. For large or high-value orders, we highly recommend purchasing Extra Cover through Australia Post, which provides compensation for loss or damage. Extra Cover is charged at a rate of \$2.50 per \$100 of order value, up to a maximum of \$5,000. For example, for an order valued at \$1,000, the cost of Extra Cover would be \$25.00. Customers are responsible for requesting and paying for Extra Cover at the time of purchase if desired.
